OUR YEAR IN PICTURES

A NOTE FROM OUR PRESIDENT

This year has flown by faster than I ever expected, but I am happy to say that we have accomplished most of the targets we set ourselves a year ago. To be fair, with a new Board in place, we had to endure teething pains. Nevertheless, we powered through and it has been a good year.

As an association we refocused our energies; deciding to make Sports our priority and to focus on two or three main projects, all sports related, for the year. This year we donated Track Team and Netball uniforms and equipment for the Sports department. We will continue in the vein, outfitting and equipping the school's sports department with the ultimate goal of building a gym. NUFF NUFF THANKS to everyone who donated time, food, wine, labor, brain power and money AND to all who attended an event, patronized the bar and stood beside and behind us all the way.

Blessings
Judi

Silhouette Club came alive for our 10th Anniversary Celebrations! We honored our founding Board with surprise Awards, enjoyed delicious hors d'oeuvres prepared by our own Ouida Crawford, danced to the sounds of the band and proudly displayed our "I am Active" sign for all to see.

WOMEN EMPOWERING WOMEN

Our Women Empowering Women series got off to a great start in August with our guest presenter Ms. Tracy Marshall, Family Counselor, who helped us understand the issues affecting our aging parents and spouses and gave us practical solutions to dealing with our loved ones.

OUR GOAL
32 NETBALL
UNIFORMS

1 Player
Uniform
Pledge

Thanks to everyone's efforts, especially Virginia Walcott & Yvette Sawyers who live-streamed our pledge drive and secured most of our pledges. Our Netball Team is being measured and outfitted by the end of November 2017.

FISH FRY & FAMILY FUN DAY

On April 8th, we gathered at C.B. Smith Park for our Annual Fish Fry & Family FUN Day. Lots of hard work and even more FUN! Delicious food prepared by Peenie Wallies (fish) and volunteers was enjoyed by a large crowd of friends and family. We actually ran out of food! Next year we'll have contingency plans in place! THANKS COOKS, CHEFS & VOLUNTEERS!

MEETING "OUTSIDE" THE OFFICE

We took a decision to take our meetings "outside The Office" from time to time. Here we are in South Miami (left) and at Peenie Wallie's Fish & Jerk in West Palm Beach (right).

TRACK TEAM DONATION
